THANK YOU FOR YOUR SUPPORT!

Our 2022 team has raised **over \$120,000!**

Dear Friends & Donors:

We are happy to report that we made it through our 2022 season! As our 15th season comes to a close, we are continually in awe of our amazing team and the love and support of our donors and local community. The words of Helen Keller ring true when she said, *"Although the world is full of suffering, it is also full of the overcoming of it."* We see that in the lives of our teammates and in the lives of the kids we have the joy of running for. Thank you for your generosity & take heart in the fact that you are part of the overcoming.

We are beyond excited to tell you that our team this year was made up of over 100 dedicated runners & walkers, and through each of their efforts and your donations, we were able to raise over \$120,000, with funds still coming in! It is pretty amazing that 100% of your donation goes directly to India- thank you for being a part of the village that makes this happen!

Thank you for your donation, no matter how big or small, it truly matters in the lives of the beautiful kids we run for. We are already looking forward to our 2023 season... and would love to have YOU run or walk with us next year! Online registration and training starts in April 2023.
